What is a Quiet Time?

A quiet time is simply spending time alone with the Lord, talking to Him in prayer, and reading His Word. This time will help your relationship with the Lord to grow stronger each day. Find a place where you can be alone with God and bring your Bible, pen, and journal with you.

PRAY. Spend a few minutes talking to the Lord. Try writing your prayers down in your journal or praying aloud.

READ. Take time to read a chapter in the Bible. Perhaps work through a book of the Bible or read a Psalm. Read slowly & carefully.

MEDITATE. Select one verse that stood out to you in your Bible reading. Write this verse down and illustrate it.

MEMORIZE. Choose four verses to memorize in the next 31 days. Work on one verse at a time, spending seven days on each verse & ending with three days to review all your verses. Memorize by writing the verse down several times, saying it aloud to yourself, listening to it being read, or by reciting to a family member or friend.

Try to do your Quiet Time before breakfast each day!
Mark the day's block with a smiley face ☺ if you did.
