

You are My All in All

You are my strength when I am weak
You are the treasure that I seek
You are my all in all
Seeking you as a precious jewel
Lord, to give up I'd be a fool,
You are my all in all

Jesus, Lamb of God
Worthy is Your Name
Jesus, Lamb of God
Worthy is Your Name

When I feel lonely and depressed
You give me faith to endure the test
You are my all in all
When I can't bear life anymore
I put my faith in you my Lord,
I'll put my faith in you

With faith I'll stand true
I will trust in you
With faith I'll stand true
I will trust in you

You are my hope when life is bleak
Heaven above is what I seek
Jesus, my all in all.
One day I know you'll take me home
Where the streets are paved with gold,
Jesus, my blessed hope

My hope lies in you,
I will not let go
My hope lies in you,
I will not let go

Christ came down from heaven above
Then He died for sake of love
He is our all in all
Out of love He took our sin
Nailed it to the cross with Him
Christ's love is there for all.

Jesus, you love all
Worthy is your name
Jesus, you love all
Worthy is your name.

Because of Him I'm full of joy
A contented life I will enjoy
He is my all in all
Giving Him thanks in everything
Resting in Him, to Him I'll cling
I can find joy in all

He is all I need
I am filled with joy,
He is all I need
I am filled with joy.

Taking my sin, my cross, my shame,
Rising again I bless Your Name
You are my all in all
When I fall down You pick me up
When I am dry You fill my cup
You are my all in all.

Jesus, Lamb of God
(You are my strength when I am weak,
You are the treasure that I seek)
Worthy is Your Name
(You are my all in all)
Jesus, Lamb of God
(Seeking you as a precious jewel,
Lord, to give up I'd be a fool)
Worthy is Your Name
(You are my all in all)
